## CEO CORNER

As we step into 2025, I find myself reflecting on the many blessings this past year has brought. Prairie Home Hospice & Community Care is truly exceptional, and I am continually inspired by the incredible people who make it all possible. When I began my journey here last August, I had hoped to find a role that was both fulfilling and meaningful. I can confidently say that this wish has been realized well beyond any of my expectations.

Working alongside such a dedicated and compassionate team – from our administrative staff to our homecare and medical professionals – has been an extraordinary experience. I’ve gained invaluable insights, but what I’m most grateful for are the families who trust us with the care of their loved ones. That trust is both humbling and motivating. On behalf of our entire staff, I want to express our deepest gratitude. It is truly an honor and a privilege to serve our community. And I also want to thank all the fabulous volunteers and generous donors, as without your unrelenting help and assistance, our mission to provide exceptional end-of-life care would not be realized. Thank you for your past and future support.

## Marketing Corner

As we reflect on 2024, we are filled with gratitude for the incredible support that allows us to continue providing compassionate hospice care to families across Southwest Minnesota. This year has been a testament to the strength of our community, with countless individuals stepping forward as volunteers, sponsors, and supporters of our mission. Events like Light Up the Night and the Charity Event & Auction not only brought us together in celebration, but also helped raise critical funds to sustain the care and comfort we provide to those in need. Every contribution, whether big or small, has made a meaningful impact on the lives of the patients and families we serve.

Looking ahead to 2025, we are excited to mark our 40th year of serving this incredible community. Reaching this milestone is both a celebration and a reminder of the ongoing need for support to ensure hospice care remains accessible for future generations. As we embark on this significant year, we ask for your continued involvement—whether through volunteering, attending events, or making a donation—to help us carry our mission forward. Together, we can ensure that Prairie Home Hospice & Community Care remains a source of comfort, compassion, and hope for families in Southwest Minnesota. Thank you for standing with us, and we look forward to another year of making a difference together.

Marketing & Development Coordinator

## Fieldcrest Classic

The 3rd Annual Fieldcrest Classic took place on Friday, July 19th, at the Cottonwood Country Club in Cottonwood. Originally scheduled for June, the event was rescheduled due to weather. Despite the change, 17 teams with a total of 66 golfers came together for a day of fun and friendly competition, all in support of Fieldcrest Assisted Living and Prairie Home Hospice & Community Care.

Mark your calendars for this year's Fieldcrest Classic, happening on Friday, June 20th! Gather your team and join us for another fantastic day on the course while supporting a great cause. See you in June.

# Tough Enough To Wear Pink

The Tough Enough To Wear Pink Campaign began on June 1 and continued through October and capped off Breast Cancer Awareness Month. We had great support for this campaign. Local businesses and their employees also participated in this campaign. We participated in parades in Cottonwood, Marshall Sounds of Summer, Wood Lake, Tracy, and Minneota. # A Light To Remember

Our Light to Remember services took place the weekend of November 22–24 in Cottonwood, Marshall, Balaton, Tracy, and Minneota. These heartfelt gatherings provided a special opportunity to honor both loved ones we've lost and those still with us. We extend our sincere gratitude to everyone who purchased light sand attended the services. We would also like to thank those volunteers who made these events so meaningful. Thank you for helping us celebrate the lives of those who hold a special place in our hearts.

Students of the MHS Honor Society participated in decorating the park.

Light Up The Night Community Event kicked off on November 29th and continued through January 1st. We had several great weekends with great attendance due to decent weather. There is so much volunteerism that goes into getting this event ready for the community to enjoy. Decorating the park logged over 320 hours of volunteers hanging lights from Oct 6th to kickoff night. Event night volunteerism logged 165 hours. That is a lot of volunteers needed to create the beautiful park for the community to enjoy. Thank you to all the volunteers that participated this year. We cannot express how grateful we are for your assistance.
